Dear Andrew:

I would like to take this opportunity to thank you for all the excellent work you have done on behalf of Odeon / UCI cinemas.

Having now carried out a number of small through to large refurbishments for us I would like to commend both you and your company on the high levels of service you have delivered.

This is apparent in the high quality work, strong management and competitive pricing you provide to us alongside minimal impact and excellent relations when working within our cinemas which is very important to us.

I would have no hesitation in recommending your company to any prospective client.

Many thanks and best regards

Peter Sadler
