**TO WHOM IT MAY CONCERN**

Dear Sirs

**Letter of reference for AJN Refurbishments**

We gladly provide a reference for AJN Refurbishments in connection with future works. AJN Refurbishments provided a highly disciplined and professional approach to our recently completed projects. These included bedroom refurbishments at The Holiday Inn, Birmingham Central and The Gardens Hotel in Manchester. Both hotels provided unique challenges for the team.

The diligent way in which AJN executed the formation of new bedrooms in a fully operational hotel was exemplary; with various challenges including the Health and Safety of both staff and guests was under constant scrutiny by the hotel owners and the management team. AJN Refurbishment personnel conducted their tasks courteously confidently and without any nuisance to hotel's guests.

We have no hesitation in recommending AJN Refurbishment and will be asking them to tender for future projects.

Yours faithfully
